Our company **NewPlanet** was established in 2010 and has been a leading manufacturer of high-quality metal products. We specialize in the production of various metal components, including cake pans, which are widely used in the food industry. Our commitment to excellence is reflected in our state-of-the-art manufacturing facilities and our experienced workforce. We ensure that every product meets the highest standards of quality and precision.

Our products are not only durable and reliable but also aesthetically pleasing. We offer a wide range of options to meet the specific needs of our customers. For more information about our products and services, please visit our website at www.newplanet.com.
