Picture Show:

This is customized products for pizza tools, below pictures just for your reference, you can choose any pizza tools or baking tools as you need, please kindly advise the details so we can quote the accurate price, thank you very much.

Stainless Steel Pizza Shovel

- 1). Easy to use: with a thin metal handle, our charcoal cleaning scraper is easy to move and distribute steam charcoal. You don't have to worry about burning your hands. It is easy to use.
- 2). Wide range of applications: our pizza ash cleaning shovel can clean hot ovens without getting too close to the heat. It is suitable for restaurants, cafes, bars and pizzerias.

Round Handle Pizza Peel

- 1).Practical: The pizza shovel is the perfect tool for placing, turning and lifting a pizza or cake from an oven!
- 2).High quality: The pizza server with practical recessed handle is made of stainless steel and is therefore very durable and easy to clean.

Short Handle Pizza Peel

- 1).For a perfect pizza result: the spatula made of smooth, thin chrome-nickel steel can be pushed under the pizza and keeps its shape, for use in the kitchen at home and in the catering sector.
- 2).Multifunctional application: The bread scraper made of smooth and thin stainless steel for your own and professional kitchen can be ideally pushed under the bread or pizza without deforming the dough.
