

Fashion Outdoor Reusable Coffee Filter With Round Lid Stainless Steel Girly Vase Thermal Insulation Reusable Coffee Tumbler

Features:

- 1). The insulating performance is outstanding, keeping drinks hot for up to 11 hours and cold for 38 hours, perfect for long expeditions. Instead of a hinged lid, this cup features a twistable cover that reveals a smooth opening for comfortable, dribble-free drinking.
- 2). As the temperature rises, our drinks get cooler, and we need a reusable cup for iced lattes and frappes. The design is simple, with only the bottle and lid, making it super easy to keep clean and fresh.
