

Outdoor BBQ Pizza Oven Accessories Tools Aluminum Stove Ash Scraping

Features:

- 1). **Effective Tools for Ashing:** The extended ash scraper can easily clean the ash in the furnace. The bottom is flat, which can clean a large amount of ash at one time, reducing the number of ash and ash discharge during the ash removal process, saving time and effort.
- 2). **Comfortable Handle:** The handle design is ergonomic, the palm and the handle can fit well, and there are grooves on the handle for fingers to use, providing good comfort during use.
