Picture Show:

This is customized products for pizza tools, below pictures just for your reference, you can choose any pizza tools or baking tools as you need, please kindly advise the details so we can quote the accurate price, thank you very much.

Aluminum Stove Ash Scraping

- 1). Easy to use: with a thin metal handle, our charcoal cleaning scraper is easy to move and distribute steam charcoal. You don't have to worry about burning your hands. It is easy to use.
- 2). Wide range of applications: our pizza ash cleaning shovel can clean hot ovens without getting too close to the heat. It is suitable for restaurants, cafes, bars and pizzerias.

Roll Cone-Shape Danish Tube Kits

1).High quality aluminum, not change full form, strong and durable. Suitable for making croissants, baking DIY, west of DIY. Can make your own Danish bread roll,fill in rich chocolate sauce,or cream filling.

Wrapped in a coil outside the oven bake,bake after the remove solenoid,filling jams at the hollow,you like to eat,such as minced pork stuffing.

2).The danish cake tube kits are made of premium stainless steel with a mirror finish, smooth, reusable, durable and long lasting. The almost seamless edge design prevents the dough from pressing into the seams, so you can make beautiful ice cream cannoli rolls without distortion.

Stainless Steel Round Pizza Shovel

1).For a perfect pizza result: the spatula made of smooth, thin chrome-nickel steel can be pushed under the pizza and keeps its shape, for use in the kitchen at home and in the catering sector.

2).Multifunctional application: The bread scraper made of smooth and thin stainless steel for your own and professional kitchen can be ideally pushed under the bread or pizza without deforming the dough.
